Tooth Polishing

**NUPRO® Sensodyne® Prophylaxis Paste**

NUPRO has been proven in studies and over 20 years of use to deliver what clinicians need in prophy paste. NUPRO Sensodyne Prophylaxis Paste powered by NovaMin® offers the triple benefits of stain removal, de-sensitisation and tubule occlusion while immediately relieving sensitivity during a normal Prophylaxis treatment. The NUPRO Sensodyne Prophylaxis Paste is available in 3 pleasant flavours: spearmint, peppermint and citrus mint and in two grits: stain removal and polish.

**NUPRO Sensodyne Prophylaxis Paste. Polish (Fine/Medium) Light stains**

Each box contains:
- 100 Single Dose Cups
- 1 Prophy Grip
- 1 Prophy Ring

Medium – White  130082
Large – Blue  130083

Pit & Fissure Sealants

Dyract® Seal

Innovative light-cured pit & fissure sealant based on the proven Dyract Compomer Technology. The use of the low-viscous dental adhesive, Prime&Bond® NT™, prior to the application of Dyract Seal, ensures maximum penetration and total filling of deep and narrow fissures (Total Seal® Technique). Long-term fluoride release further reduces the risk of caries.

Dyract Seal Refills

Includes:

• 3 Syringes, 1ml each (= 1.5g)
• 25 Applicator Needles

Clear  61504705
White/Opaque  61504706

Accessories

Applicator Red Needles Dyract Seal (25)  61504707
Applicator Tips (100)  60667198
Pit & Fissure Sealants

Delton® and Delton® DDS - Light Curing

Delton is a light cured, low viscosity pit and fissure sealant. Delton is available in both applicator form and a direct delivery system (DDS).

Delton Pit & Fissure Sealant Kit
Includes:
- Standard Package
- 7ml Etchant
- 2 x 7ml Sealant
- 1 Applicator
- 100 Applicator Tubes
- 10 Mixing Trays

Delton (Clear) 27961

### SofScale™ Scaling Gel

SofScale Scaling Gel is used to remove calculus. SofScale breaks the bond between calculus and the tooth surface. It is compatible with dental restorative materials, and will not harm enamel, dentine or cementum.

- **SofScale Calculus Scaling Gel, (5 Syringes)** 132950
- **SofScale Calculus Scaling Gel, Pkt 12 (60 Syringes)** A90060

### Crescent® Prophy Cups

Efficient and convenient method of effectively cleaning/polishing teeth. Made of latex-free white synthetic material. This wide selection lets you choose the right prophy cup for your needs.

**Prophy Cups**

- **Pack 144**
  - #2 RA Webbed C200030
  - #2 RA Ribbed C200040
  - Screw Type Webbed C200005
  - Screw Type Ribbed C200015
  - Snap-on Webbed C200100

### Crescent Prophy Brushes

Polish and remove heavy stains. Choose standard or pointed brushes in popular mounting styles, and in soft or stiff bristle horsehair. Available in Screw Type and Right Angle Handpiece styles and made of fine bristle and assembled to prevent the possibility of pulling out the bristles. Single use/disposable - do not sterilise.
